## Colors of Distinction

**CRINKLE FINISH:** The textured appearance on WeatherXL Crinkle Finish redirects light for enhanced visual depth, offering a 3-D effect & enhancement over flat-panels' gloss paint appearance.

Crinkle is available in 29 gauge Eagle Pro profile only. Crinkle colors do not match WeatherXL™ colors.

All colors, WeatherXL™ and Crinkle, are intended only as an approximation of the actual color. Before you place an order request an actual color sample from the All American Team.
