That fits your budget

**OUR  
NEWEST  
PANEL**

# **PATRIOT 4**

*Steel Panels*

- Traditional exposed fastener installation with the look of a concealed fastener panel.
- 1" rib height, 11.67" on center ribs.
- 35" wide panel coverage
- 40 year paint warranty.
- 29 gauge galvalume painted with silicone modified polyester (SMP) coating **WeatherXL™**
- Substructure: Patriot 4 is designed to be utilized over open purlins 16" on center or a solid substrate. Solid substrate is recommended. To avoid panel distortion use a properly aligned and engineered substructure.
