Terms & Conditions

Rental Terms

We rent items by the hour, by the day by the week, or by the month. (Some items have minimum rental times.) Equipment is charged for time out, not time used. Charges are based on total time the item is out of the Rental Center including Saturdays, Sunday, and Holidays.

Identification

Identification is required on all rental contracts which includes a valid drivers license.

Payment

We accept cash, checks, Visa, MasterCard, Discover, and American Express.

Cleaning Of Equipment

A Service charge will be added for items returned without proper cleaning.

Fuel Charges

Fuel is furnished with all two stroke engines, Four stroke engines and diesel engines will leave the rental center full of fuel. We ask that you replenish the fuel before returning or fuel charges will be added to your contract.

Problems

If you experience a problem with the item you rented, call us immediately. If you do not inform us of the problem immediately, you will be charged for the full rental.

Accessories

Equipment accessories, i.e. drill bits, router bits, sand paper, cut off blades, saw blades, concrete blades.... Are extra.

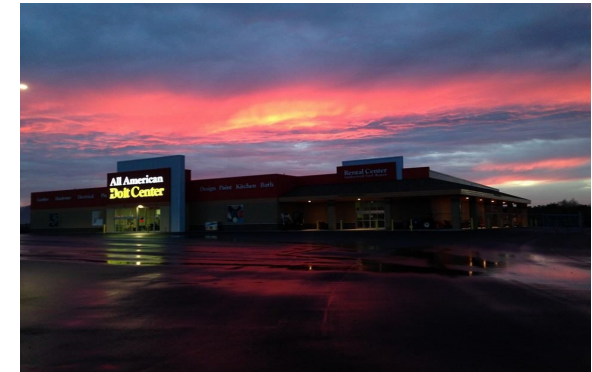

If your looking for an item and it is not listed here, check with our rental center ... we are adding new items frequently.
